EMPLOYMENT SERVICES

CLIENT-DIRECTED SERVICE

We work for our clients and follow their interests. We never push clients into roles that don't appeal to them or fill quotas for outside companies. Instead, we help our clients investigate their own interests, navigate the job market, and develop the interpersonal, workplace, and self-advocacy skills they need to be successful in a meaningful career.

PATIENCE NCUBE

Director of
Employment
Services

Patience...

- Holds undergraduate and graduate degrees in Economics, Business Management, Software Engineering, Education, and Nonprofit Management. She also draws on experience in collegiate instruction, business development, career coaching, and Diversity-Equity-Inclusion training.
- Has 7 years Employment Specialist experience supporting diverse clients with qualifications ranging from Technical/Vocational to Doctorate and interests across all fields.
- Supported employers with DEI/ADA training, inclusive hiring/management, on the job training, customized employment, succession planning, and employee retention strategies.
- Served as Lead Trainer and Consultant to Chevron Stations Inc. for their Diversity & Inclusion program.
- Takes pride in helping clients break barriers and grow in their professional skills and personal confidence as they pursue meaningful employment.

Chloe...

- Top of her class in Benefit Information Networking coursework.
- Has experience in all service sectors at Partners in Autism: ABA Therapy, Waiver Services, & Employment Services.
- Maximizes resources and funding sources, working collaboratively with other stakeholders to ensure wraparound services to benefit clients.
- Takes a holistic approach to serving clients and maintains a strong focus on ensuring clients are able to maximize benefits and gain independence.
